MESSAGE FROM THE SUPERINTENDENT

Welcome to the Lexington Local Schools and thank you for supporting our students with your attendance. We are thankful to be part of a community that understands and values the importance of a well-rounded educational experience, and we are grateful that our staff, parents, and school community work together to provide wonderful academic, athletic, and fine arts opportunities for our students.

Our students give a great deal of their time and energy to balancing the demands of their academic work and the preparation necessary to be successful in their extracurricular activities. As a school community, we are very proud of them, and we know they appreciate your support. Thank you for your attendance.

MESSAGE FROM THE PRINCIPAL

Thank you for your attendance tonight, and your support of the student athletes, cheerleaders and musicians from both schools. These young people have practiced many hours to prepare for tonight's contest. They've made many sacrifices along the way, as they attempt to handle both the demands of the classroom, and the demands of their team or activity. Your support of their efforts is greatly appreciated.

We are also thankful for the families that encourage these young people, and the communities that show such great pride in and support of our school systems. It is our hope that your experience at Lexington High School will be a good one. Please enjoy the contest, have fun cheering for your team, and return home safely.

Lexington Athletic Booster Club

Lexington Fans,

Over the past seventeen years your Booster Club has **RAISED OVER 1.4 MILLION DOLLARS** through fund raisers, concession revenues and donations from the community which have allowed us to do some of the following projects.

Recently, a newly resurfaced All-Weather Track and a Track Bullpen Storage Building for Football and Track and Field. Annually, we provide four college scholarships to athletes.

Past improvement areas/projects are many and include, but are not limited to:

- **Multi-Sport Complex with Indoor Practice Field, 3,000 square foot Weight Room, and Hitting Cages for Baseball, Softball and Golf.**
- **Shot Put area for Track & Field**
- **Improvements to the Baseball Complex, Tennis Courts, Soccer Complex, and Concession Stands**
- **Football Stadium Press Box**
- **State Championship Rings & Track Resurfacing**

VOLUNTEERS who give hundreds of hours of time annually make all this happen. Because of this we are able to suport our Student Athletes with outstanding facilities to train in and become the best they can.

On behalf of the Athletic Boosters, I would like to thank all of the parents and contributors for their support in helping us realize our goals.

ALL LEXINGTON OHIO ALUMNI... WE NEED YOU!

COLLEGE, UNIVERSITY & CAREER TECHNICAL SCHOLARSHIPS FOR LEXINGTON HIGH SCHOOL GRADUATES

Twenty-two years ago a group of four Lexington High School graduates created a scholarship fund to assist Lexington graduates with the rising costs of college. This group undertook the task of contacting other Lexington graduates, Lexington based businesses and local industries with Lexington ties to donate to this fund.

Their efforts raised a total of $13,600 from 16 donors! The Lexington High School Alumni Scholarship Fund was established at the Richland County Foundation.

In that first year (2004), a $1,000 scholarship was awarded from the Lexington High School Alumni.

In 2025, 11 college scholarships in the amount of $25,000 were awarded. Since those initial years, the fund with the Richland County Foundation has grown! The generous donations of Lexington High School Alumni continue to allow this fund to increase.

Scholarships are awarded to graduates *(past & present)* entering college and career technical areas.

Contact the Lexington High School Guidance Department for information or apply directly to:

Each year an Alumni Banquet has been held as an opportunity to gather with Lexington High School friends and classmates, no matter the year of graduation.

In the 22 years since the Alumni group had its start, it has been a goal to contact as many Lexington graduates as possible. We strive to gain access to class lists, email and mailing addresses for all the graduating classes!

IN 2025, THE DONATIONS FROM ALUMNI TOTALED $9,425

Established 2016

Lexington Minuteman Academic Scholarship

In the fall of 2016, the Lexington Academic Boosters chose to focus their support on providing scholarships to Lexington graduates. Lexington Minuteman Academic Scholarships *(LMAS)* were named to honor the former organization, and the LMAS committee was created.

Since 2016, the Lexington Local School District, along with Lexington High School, has offered scholarships to graduating Lexington High School or Pioneer Career and Technical Center seniors who have demonstrated an outstanding academic record, have participated in school related activities, and have provided service to the community.

The purpose of these scholarships is to offset costs associated with college or continuing education. Scholarships are awarded following the successful completion of the 1st semester of college or continuing education. A grade card or transcript is required for verification.

How can you help?

Please consider donating to the Lexington Minuteman Academic Scholarship fund to support our graduating seniors who plan to further their education and build upon the knowledge gained during their time in the Lexington Schools. Lexington High School takes great pride in the citizens who graduate and set out to make a difference in the world. Your tax deductible donation will help provide Lexington Minuteman Academic Scholarships this year and build the LMAS Fund to provide awards for future graduates of Lexington Schools.

Please see our website at www.lexington.k12.oh.us for the Lexington Minuteman Academic Scholarship page. There you will find our past recipients and the colleges and universities that they have attended.

POSITIVE BEHAVIOR INTERVENTION AND SUPPORTS (PBIS)

Fact Sheet

WHAT IS PBIS?

PBIS is a broad range of systematic and individualized strategies for achieving important social and learning outcomes in schools while preventing problem behavior.

CORE COMPONENTS OF PBIS:

Clear Expectations

School communities identify 3-5 school-wide overarching behavioral expectations.

Comprehensive Instruction

Systematic, explicit instruction, practice and feedback on the expected behaviors are provided in each school setting.

Supportive Structure

Teams focus on developing a setting in schools that provide effective academic and behavioral multi-tiered system of supports (MTSS) for all students.

Acknowledging and Correcting Behavior Systems

Consistency in acknowledging expected behaviors and correcting behavior errors is provided through:

- Active supervision
- Proactive scheduling
- Incentives and reinforcement
- Logical consequences and clear office referral procedures

BE Respectful Responsible Ready

PBIS AT LEXINGTON:

- PBIS teams have been established in each building and meet either monthly or bi-monthly. The district also has a PBIS team that meets monthly.
- Three clearly stated behavioral expectations: Be Respectful, Be Responsible, and Be Ready are enforced within all school settings.
- Quarterly incentives/rewards are given for students and staff who exhibit one or all of the expectations noted above.
- The district has implemented a multi-tiered system of supports (MTSS) framework to include behavior intervention and supports.
- In 2023, the district founded Merry Minuteman to serve Lexington families in need. If you would like to donate, please contact your building administrator.
- PBIS Shout-Outs QR codes can be found throughout the district to recognize staff and students for positive behaviors.
  - Shout-Outs can be completed by parents, teachers, staff, and students.
  - Look for the sign below in buildings and at sporting events to Shout-Out our staff and students:

Additional Questions/Concerns?
Please contact the district PBIS Coordinator:
Julia Pilla, Ed. S, BCBA
(419) 884-1111 ext. 1924

Scan here if you would like to complete a shout-out for a staff member or student you saw being Respectful, Responsible, and/or Ready at school or in the community
