March 26 — March 30

ENJOY!!!

As previously mentioned, Eastern will be participating in Statewide AIR Testing beginning in April. Ohio did reduce the number of tests for students. Additionally, all tests will be taken by computer for all subjects.

Dates for Testing

4th Grade ELA(4/17—4/18) Math (5/1—5/2)

5th Grade ELA(4/10—4/11) Math (5/3) Science (4/26)

6th Grade ELA(4/19—4/20) Math (5/4)

The AIR Tests are a good measure for our students and we are encouraging all students to do their best on the test. No pressure, just promoting a good effort and even better results.

6th Grade Promotion

6th Grade Promotion Meeting #2 Thursday, March 22nd @ 8:00 a.m.

We held our first PARENT PROMOTION MEETING a few weeks ago. We will have our 2nd TEAM Organizational Meeting this month, but in the meantime, if you are interested in getting the ball rolling, please contact me with any and all interest immediately.

Promotion is a great event that takes a team effort and a tremendous amount of planning and preparation. Thanks for the support in advance and see you soon!

Please email: miller.buddy@lexington.k12.oh.us to be added to the email group.

Mr. Cannon's P.E. Corner

February was a busy month in P.E. Class. The students started the month with 2 weeks of 'putting' in the gym.

During the 'golf' unit, the Eastern Gym is transformed into a 10-hole putting course. Students compete by putting from various marks within each hole.

Recently, students have been working on a variety of Volleyball Activities & Skills.

March is Youth Fine Arts Month

Mrs. Haas and Mrs. Clark have a great deal of activities planned throughout the month of March.

- Daily Questions relating to Art & Music. Prizes and drawings are included.
- The Lexington High School Principal, Kevin Young, read an official Proclamation on Thursday, March 1st to kick off the activities.
- We will also do our 5th Annual Color Wheel during the 1st week of April.

Teachers and Staff were asked some 'individual' questions about their past music history in order to create a 'guessing' game for students.. There is a fun board up in the hallway that asks students to guess what teacher or staff member participated in 'certain' musical events and such. Additionally, Mrs. Haas decorated our main bulletin board with a small preview of our upcoming Color Wheel.
