

# Eastern Elementary Ohio AIR Tests Dates & Information

Beginning on Tuesday, March 28<sup>th</sup>, the students of Eastern Elementary will be participating in the Ohio AIR Tests. These are Standardized Tests intended to measure a student's knowledge and understanding of academic content relating to the areas of Reading, Math, Science, and Social Studies.

We are encouraging our students to do their best on the test without putting any undue or extra pressure on them to perform. The results from these tests will provide the Teachers and Staff at Eastern with a "snapshot" of data pertaining to your son or daughter in a specific content area. The AIR Tests are important, yet they are simply just one measure that we consider and utilize within our decision-making process. Please assist us by encouraging your child to give forth their best efforts!
