WINTER IS HERE!

Winter Parties

Class parties will be held on Dec. 20 starting at 2:30 pm. Instructional time is important to Western and we ask parents who are participating in the parties to please, wait in the foyer in front of the office until 2:30 pm. There will be a volunteer sign in sheet on the table in the foyer. Please sign in, wear a visitor tag and wait in the foyer until the Principal dismisses the parents to their classrooms. Thank you for being a part of this special day and for understanding how important it is for us to take advantage of our academic time.

December 21-January 1: Winter Break

✧ Outside Recess ✧

Winter weather is upon us and we will continue to go outside for recess unless the temperature feels like 19 degrees or lower. If recess is outside and there is snow on the ground, students may play in the snow if they bring the following items: hat, gloves or mittens, boots, snow pants and a winter jacket. If students do not have these items they will be limited to the blacktop. We encourage all students to participate in outside recess, so it is important to make sure that students have proper attire for the current forecasted weather.

If it is too cold to go outside for recess students will have inside recess. Recess may consist of watching a movie, hallway play, board games, etc.. A list of movies that could be viewed during recess are listed in the student handbook. All movies that will be viewed during recess are rated G. If you would prefer that your student opt out of viewing a movie, please feel free to contact me at eggerton.genelle@lexington.k12.oh.us.

It is our goal to go outside during recess as much as the weather allows. However, as we will possibly be facing this week and before break, sometimes the weather limits our goal. Again, if you have further questions, please feel free to contact me.

Mrs. Eggerton
