KINDNESS CHALLENGE

JAN.22-26

Dear Parents:

The Great Kindness Challenge is one week dedicated to creating a culture of kindness in schools nationwide. Western is proudly participating in this proactive, positive kindness initiative.

On the back of the newsletter is the GKC checklist with 50 kind deeds that kids can perform during the week. If students complete 15 out of the 50 tasks during the week of Jan. 22-26 and turn the GKC checklist back to their teacher, their name will be read during the morning announcements. If students complete 30 out of the 50 tasks during the week and return the GKC checklist back to their teacher, they will participate in a special event with Miss Lexington. Please, encourage your child to complete the checklist and show the world that kindness matters. Don't be afraid to encourage them to think outside of the box and add some of their own kind deeds to the checklist.

Students will have the opportunity throughout the week to make snowflakes and write how they are unique. Likewise, they will also have the opportunity to make paper snowballs and write positive, kind thoughts on them. The snowflakes and snowballs will be posted on our bulletin board. Students may "take one if you need one" off the bulletin board if they need a positive saying to help them throughout the day. Let's see snowflakes and snowballs overflow the bulletin board and into all of the hallways because we know we are unique and kind actions and words matter.

Kindness matters,
Mrs. Eggerton
