

2018 Lexington Baseball Clinic

The 2018 Lexington High School Baseball Clinic will focus on the basic fundamentals of baseball—base running, throwing, fielding, batting, pitching and catching—through group drills with one-on-one instructions provided by the High School coaching staff and varsity baseball players. The camp will consist of three 1.5 hour sessions with each focusing on a specific aspect of the game of baseball. Participants may choose to attend any of the sessions they are interested in—indicate the sessions you will attend at the bottom of this page. Walk-ups are welcome.
