CCP Annual Information

Please view the ODE CCP presentation for all information related to the CCP program:

Key points from ODE presentation:

HOW MANY CLASSES CAN STUDENTS TAKE?

- Students may be enrolled in up to 30 credits per year, which includes high school courses:
- Calculation:
$$30 - (\text{secondary school units} \times 3) = \text{max CCP credits}$$
- The maximum number of credits allowable for a student while participating in the program is 120

HOW MANY CLASSES CAN STUDENTS TAKE?

If a student enrolls in more than 30 credits for the year, the school will discuss with the student whether to:

- Drop the course (prior to the no-fault withdrawal date) or
- Pay for the entire course (including tuition, fees, books) at the college's standard rates

WHAT ARE BENEFITS OF PARTICIPATING IN COLLEGE CREDIT PLUS?

Students can:

- Earn high school and college credits at the same time
- Get a “head start” on career planning and degree or certificate completion
- Experience college early to understand the expectations of college life
- Save tuition and textbook costs

WHAT ARE THE CONSEQUENCES OF UNDERPERFORMING?

- If students do not earn a passing grade or if they withdraw too late from college courses, the district may require students/families* to reimburse the tuition that the district had paid
- The grades that students earn will be on the students' college transcripts permanently

*If a student is considered "economically disadvantaged," a school may not seek reimbursement

WHAT ARE THE CONSEQUENCES OF UNDERPERFORMING?

- If students fail or withdraw often, future financial aid may be also impacted negatively
 - For more information, contact the college's financial aid office for details
- If students perform poorly, they may be placed CCP Probation, CCP Dismissal or on academic probation or dismissal by the college

UNDERPERFORMING STUDENT RULES

College Credit Plus Probation

- A student will be placed on CCP probation if he or she **earns less than a cumulative 2.0 GPA** in CCP courses or withdraws from 2 or more courses in one academic term

Things to Keep in Mind

- CCP allows for flexibility with graduation – College course counting toward HS grad. requirement; check with your Principal or Counselor first! Not every course will fit a requirement; eligibility and worst-case scenarios must be considered.
- Students need to allow for travel time between the college and high school when scheduling classes.
- Students may not miss any part of a high school class in order to make it to a college class – please schedule carefully.
- All books are the property of Lexington schools and need to be returned to LHS after a course has ended.
- Financial responsibility: Student's responsibility to pay for failed courses, or a class dropped after the drop period (14 calendar days after course begins).
