Jamie Masi
High School Principal

Thank you for your attendance tonight, and your support of the student athletes, cheerleaders and musicians from both schools. These young people have practiced many hours to prepare for tonight's contest. They've made many sacrifices along the way, as they attempt to handle both the demands of the classroom, and the demands of their team or activity. Your support of their efforts is greatly appreciated.

We are also thankful for the families that encourage these young people, and the communities that show such great pride in and support of our school systems. It is our hope that your experience at Lexington High School will be a good one. Please enjoy the contest, have fun cheering for your team, and return home safely.

MINUTEMEN FOOTBALL COACHING STAFF

Andrew Saris - Head Coach

Coach Saris is excited to be entering his third year as Lexington High School's Head Coach. He previously spent 11 years at Madison Comprehensive High School as a chemistry teacher, assistant football coach, and Head Coach of the track team. Coach Saris graduated from Smithville High School ('05) and was part of the state runner-up ('02) and state semi-final ('04) football teams. He went on to graduate from Walsh University ('10) where he continued his track career. He loves spending time with his beautiful wife Erin, and wonderful children Henry (4) and Mia (2). Coach Saris is the Dean of Students here at Lexington High School.

Jamie Masi - Defensive Coordinator

This fall is Coach Masi's 32nd season coaching football. He has been the head coach at West Jefferson, New Albany, Delaware Hayes, Mansfield Senior, and Madison high schools. Jamie and his wife Maria live in Lexington and are very proud of their three daughters Abbie, Sophie, and Gracie. Abbie graduated from Lexington in 2019 and Ohio University in 2024. Sophie graduated from Lexington in 2022 and attends Miami University. Gracie is currently a senior here at Lexington High School. Coach Masi is the defensive coordinator and works primarily with the linebackers.

Jacob Owens - Offensive Coordinator

This fall will be Coach Owens second season as Offensive Coordinator and QB coach for the Lexington Minutemen. He graduated from Marietta College and played 4 years of basketball there, winning 3 Ohio Athletic Conference Championships. Previously, he spent the last 5 seasons at Mansfield Sr as OC/QB coach. Coach Owens won a regional championship and was part of the state runner up team in 2019. Jacob and his fiancé Sarah Fogle live in Lexington with their children. Coach Owens is an avid Browns & OSU fan.

Jeff Strickler - Special Teams Coordinator

Coaching the running backs and being the special teams coordinator, Coach Strickler is in his 43rd season (29th at Lexington) of coaching high school varsity football. Jeff coached at Alexandria-Monroe High School, Indiana, for 14 years (7 as head coach) prior to coming to Lexington in 1996. Jeff is also the head baseball coach. A graduate of Ontario High School (1977) and Anderson University (1982), Jeff teaches AP Chemistry, Chemistry and Organic Chemistry. Jeff and his wife Karen reside in Lexington as well as daughter Megan and granddaughters Chloe and McKenna.

Montrell Caldwell - Assistant Coach

Coach Caldwell begins his 2nd year coaching football for the Minutemen, where he will focus on the offensive and defensive lines. Coach Caldwell graduated from Mansfield Senior where he was a three-time All-Ohioan.

Dalton Fix - Assistant Coach

Coach Fix is in his second year as a varsity assistant coach at Lexington, specializing in coaching the defensive backs. A proud graduate of Madison (Class of 2013), he earned recognition as a 2-time All-OCC and All-District selection and was named All-Ohio during his senior year. After high school, Coach Fix played football at Marietta College for two seasons before transferring to UCF. Currently, he is a Project Manager at Adena Corporation. Despite being a Madison graduate, Coach Fix has strong ties to Lexington, as his mother, Dawn Coulter, is a 1991 graduate of LEX. He resides in Madison with his fiancée, Megan Cramer, and their three dogs, Neko, Oscar, and Theo.

MINUTEMEN FOOTBALL COACHING STAFF

Mike Moore - Assistant Coach

Coach Moore is entering his second-year coaching and teaching at Lexington High School. He is the wide receiver coach for the football team and is the Lexington Boys Track and Field Coach. While there, he was part of the 2022 State Championship T&F Team. Coach Moore spends his free time with his amazing wife Shanna and his two boys Owen (5) and Mason (2). GO LEX!

John Murray - Assistant Coach

Coach Murray is entering his second year coaching varsity football here at Lexington and will be the offensive line coach. Graduating from Armwood HS (Seffner, FL) in '02 as a 1st team All County Offensive Lineman at the guard position and reached the State Semi-Finals in '00. Coach is definitely not the typical "Florida Man" after spending 5 years in the state up north playing Division II football for Northwood University (Midland, MI) graduating in '07. Coach Murray enjoys picking things up and putting them down repeatedly at the gym when he and his wife Elizabeth aren't wrangling their 3 kids, Georgia (4), Jackson (9), Colin (12) on Ohio trail hikes.

Jim Steele - Assistant Coach

Coach Steele is starting his third year as a varsity assistant coach here at Lexington. Coach Steele coaches the defensive line and serves as the football strength and conditioning coach. He currently resides in Ontario with his family including his girlfriend Taylor, his 1 year old daughter Wren, and two dogs, Maverick and Gunnar. Established 2016

Lexington Minuteman Academic Scholarship

In the fall of 2016, the Lexington Academic Boosters chose to focus their support on providing scholarships to Lexington graduates. Lexington Minuteman Academic Scholarships (LMAS) were named to honor the former organization, and the LMAS committee was created.

Since 2016, the Lexington Local School District, along with Lexington High School, has offered scholarships to graduating Lexington High School or Pioneer Career and Technical Center seniors who have demonstrated an outstanding academic record, have participated in school related activities, and have provided service to the community.

The purpose of these scholarships is to offset costs associated with college or continuing education. Scholarships are awarded following the successful completion of the 1st semester of college or continuing education. A grade card or transcript is required for verification.

How can you help?

Please consider donating to the Lexington Minuteman Academic Scholarship fund to support our graduating seniors who plan to further their education and build upon the knowledge gained during their time in the Lexington Schools. Lexington High School takes great pride in the citizens who graduate and set out to make a difference in the world. Your tax deductible donation will help provide Lexington Minuteman Academic Scholarships this year and build the LMAS Fund to provide awards for future graduates of Lexington Schools.

Please see our website at www.lexington.k12.oh.us for the Lexington Minuteman Academic Scholarship page. There you will find our past recipients and the colleges and universities that they have attended.

POSITIVE BEHAVIOR INTERVENTION AND SUPPORTS (PBIS)

Fact Sheet

WHAT IS PBIS?

PBIS is a broad range of systematic and individualized strategies for achieving important social and learning outcomes in schools while preventing problem behavior.

CORE COMPONENTS OF PBIS:

Clear Expectations

School communities identify 3-5 school-wide overarching behavioral expectations.

Comprehensive Instruction

Systematic, explicit instruction, practice and feedback on the expected behaviors are provided in each school setting.

Supportive Structure

Teams focus on developing a setting in schools that provide effective academic and behavioral multi-tiered system of supports (MTSS) for all students.

Acknowledging and Correcting Behavior Systems

Consistency in acknowledging expected behaviors and correcting behavior errors is provided through:

- Active supervision
- Proactive scheduling
- Incentives and reinforcement
- Logical consequences and clear office referral procedures

PBIS AT LEXINGTON:

- PBIS teams have been established in each building and meet either monthly or bi-monthly. The district also has a PBIS team that meets monthly.
- Three clearly stated behavioral expectations: Be Respectful, Be Responsible, and Be Ready are enforced within all school settings.
- Quarterly incentives/rewards are given for students and staff who exhibit one or all of the expectations noted above.
- The district has implemented a multi-tiered system of supports (MTSS) framework to include behavior intervention and supports.
- In 2023, the district founded **Merry Minuteman Christmas** to serve Lexington families in need. If you would like to donate, please contact your building administrator.
- PBIS Shout-Outs QR codes can be found throughout the district to recognize staff and students for positive behaviors.
 - Shout-Outs can be completed by parents, teachers, staff, and students.
 - Look for the sign below in buildings and at sporting events to Shout-Out our staff and students:

Additional Questions/Concerns?
Please contact the district PBIS Coordinator:

ALL LEXINGTON ALUMNI.....WE NEED YOU!

COLLEGE, UNIVERSITY & CAREER TECHNICAL SCHOLARSHIPS FOR LEXINGTON HIGH SCHOOL GRADUATES

Twenty-one years ago a group of four Lexington High School graduates created a scholarship fund to assist Lexington graduates with the rising costs of college. This group undertook the task of contacting other Lexington graduates, Lexington based businesses and local industries with Lexington ties to donate to this fund.

Their efforts raised a total of \$ 13,600.00 from 16 donors!

The Lexington High School Alumni Scholarship Fund was established at the Richland County Foundation. In that first year (2004), a \$1,000.00 scholarship was awarded from the Lexington High School Alumni.

**In 2024, 4 college scholarships in the amount of \$ 5,000.00 each
and 3 career tech scholarships in the amount of \$ 2,000.00 each were awarded.**

Since those initial years, the fund with the Richland County Foundation has grown to over \$300,000.00. The generous donations of Lexington High School Alumni continue to allow this fund to increase. In 2024, the donations from 94 donors totaled \$ 23,425.00.

Scholarships are available to current year graduates as well as previous years LHS graduates embarking on a new career path!

Scholarships are awarded to graduates entering college and career technical areas.

Contact the Lexington High School Guidance Department for information
or apply directly to Richland County Foundation, 181 S. Main St., Mansfield Ohio (419) 525-3020

Each year an Alumni Banquet has been held as an opportunity to gather with
Lexington High School friends & classmates.

Reservations *had* been limited because of venue accomodation restrictions for those wishing to attend.
In June of 2024, the banquet was held in the NEW Jr. High / Sr. High facility. ...space was not an issue!
Plan on attending the banquet next year...June 14, 2025
