

Homeless education liaisons ensure that students experiencing homelessness are supported when they are at school and not at school. The McKinney-Vento Act requires that community schools and traditional public school districts have a homeless education liaison to help support students experiencing homelessness.

Kevin Young, Assistant Superintendent, will serve as the homeless education liaison for Lexington Local Schools. Kevin can be reached at: 419-884-2132 ext. 1902 or email [young.kevin@lexington.k12.oh.us](mailto:young.kevin@lexington.k12.oh.us)
