January 27, 2025

Dear Parents,

It's hard to believe, but it's time to begin scheduling classes for the 2025-2026 school year. Over the next few weeks, our administrative team and counselors will meet with current 8th graders, freshmen, sophomores and juniors about the scheduling process. Please take some time this week to talk with your child about their options.

We are encouraging students to talk with their teachers as well. Our staff will be helpful in pointing our students in the right direction. Below is the tentative timeline for scheduling:

- Thursday 1/30: Meet with current juniors and begin scheduling on Monday (2/3)
- Thursday 2/6: Meet with current sophomores and begin scheduling on Monday (2/10)
- Thursday 2/13: Meet with current freshmen and begin scheduling on Tuesday (2/18)
- Thursday 2/20: Meet with current 8th graders and begin scheduling on Monday (2/24)

Each student will be given a scheduling worksheet to review with you before we begin the scheduling process. These worksheets and the curriculum guide can be found on the high school website at www.lexington.k12.oh.us. (Once accessing the main page, click on the 'Schools' tab at the top of the page and then click on 'High School' to find the links to the curriculum guide and worksheets.)

The curriculum guide contains course descriptions as well as other important information. The scheduling worksheet is specific to each grade level and should be helpful in determining what students can choose. We strongly encourage students to talk with their teachers to determine the appropriate course selections. If you have questions, please feel free to contact your student's counselor.
